WHAT KIND OF SESSIONS DO YOU OFFER?

I offer couples sessions, engagement sessions, save-the-date shoots, and intimate/courthouse elopements. If you're in love and want it captured; I'm your girl.

WHERE ARE SESSIONS HELD?

I'm based in Upstate NY, but I'm always down for a good location. We can shoot at a scenic outdoor spot, in-home, downtown, or somewhere meaningful to you both.

Not sure where to go? I'll help you pick the perfect location.

HOW LONG ARE SESSIONS?

Most sessions are around 1-2 hours, depending on the package.

Enough time for multiple prompts, creative guidance, movement, and getting you comfortable in front of the camera.

WE FEEL AWKWARD IN FRONT OF A CAMERA...

Perfect; you're exactly who I work best with. I don't expect you to know how to pose. I guide you the entire time with prompts that feel natural, fun, and actually like you. No stiff poses. No weird vibes.

WHAT SHOULD WE WEAR?

Once you're booked, I'll help you plan outfits that photograph beautifully and feel like you.

Think coordinated, not matching; and don't worry, I'll guide you through it.

FAQs | PHOTOGRAPHY

HOW MANY PHOTOS WILL WE RECEIVE?

Most of my packages have a number (60+) but I always over-deliver my galleries. You'll receive a full gallery of edited, high-resolution images -no picking and choosing favorites under pressure.

I want you to have the all moments, not miss them.

HOW LONG WILL IT TAKE TO GET OUR GALLERY?

Turnaround time is typically 1-2 weeks. I know you're excited, so I don't make you wait forever.

CAN WE CHOOSE THE VIBE OF OUR SESSION?

Yes 100%. Romantic, playful, moody, candid, editorial - we'll plan it together so your photos actually reflect your relationship.

WHAT IF THE WEATHER IS BAD?

If the weather isn't cooperating, I can move our session indoors at a studio location, or if you prefer an outdoor session; we'll reschedule to a new date that works for both of us.

CAN YOU PHOTOGRAPH A SURPRISE PROPOSAL?

YES and I love them. We'll plan everything ahead of time so I'm in the right place at the right moment—without giving anything away.
